REMARKS

The examiner objected to the drawings under 37 CFR 1.83(a). The examiner stated: "... The drawings must show every feature of the invention specified in the claims. The features recited in claims 11-18, are not shown in the drawings. Therefore, these features must be shown or the features canceled from the claims. No new matter should be entered."

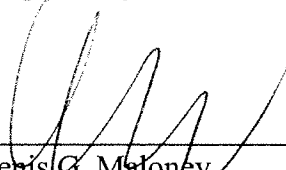

Applicant has amended the specification to refer to the workstations 12, 13 and server 14 as including a computer readable medium, which finds support in the originally filed claims, summary and computer program at least on page 11, line 1 (computer software process). No new matter has been added. The features of claims 11-18 are illustrated in the flow chart of FIG. 3 for instance and are thus shown in the figures.

Corrected drawing sheets in compliance with 37 CFR 1.121(d) are included in reply to this Office action.

A Petition for Three Month Extension of Time is also included. The required fee of \$1,050 is being paid concurrently on the Electronic Filing System (EFS) by way of Deposit Account authorization. Please apply any other charges or credits to deposit account 06-1050.

Respectfully submitted,

Date: 4/22/07
